

bathstore, the country's leading specialist bathroom retailer with 170 stores across the UK, have an exciting opportunity for a Design Sales Manager to support our continued success, which has seen us achieve double digit growth for 4 consecutive years. All you need is energy and enthusiasm to become part of the bathstore success story. In return, we offer a very competitive basic salary and an excellent uncapped commission scheme with expected earnings of £18,000.

Our industry leading training focuses on ensuring you become an Expert bathroom Design Sales Consultant, using the most up to date training methods and design tools. This will include residential training during weekdays, giving you the chance to use the weekends to take advantage of every sales opportunity and maximise your earnings.

To utilise your initial 3 month training period we will support you financially by ensuring you earn a minimum of £200 in commission / bonus in addition to your basic salary.

Our unique Service by Design offering ensures that we deliver the service our customers have come to expect, including our Home Design Service. In order to maximise your earning potential all applicants must have a valid UK driving license

A passion for sales and excellent service are the only qualifications you need in order to:

Support our customers with the design and purchase of their perfect bathroom

Ensure our customers receive the best service available

Achieve individual monthly sales targets and other KPI's as required

Actively sell and promote the company's products and services at all times

Help drive store profitability in line with expectations

Act as an ambassador for the bathstore brand

Help maintain a good team spirit

Take responsibility for your decisions

In addition to the amazing ability to earn uncapped commission, we ensure we recognise the contribution you can make with fantastic incentives (including overseas holidays) and a discount scheme that even your friends and family can benefit from.

**WHAT'S ON OFFER?**

A basic salary of £15,600 expected earnings of £18,000

Ability to earn as much as you can due to our uncapped commission structure
