

## Assembly Instructions

### Noir frame shelving unit

41800030075

**DIMENSIONS:**

Width: 600 mm  
Depth: 145 mm  
Height: 1400 mm

**IMPORTANT:**

This vanity unit can be securely fixed to a suitably strong wall. It may be necessary to reinforce the wall at the fixing points. The fixing method used to secure the unit to the wall must be suitable for the wall construction.

**CARE AND MAINTENANCE:**

A furniture unit must be cleaned with a damp cloth. Do not use abrasive products, and do not expose the furniture unit to chemical agents.

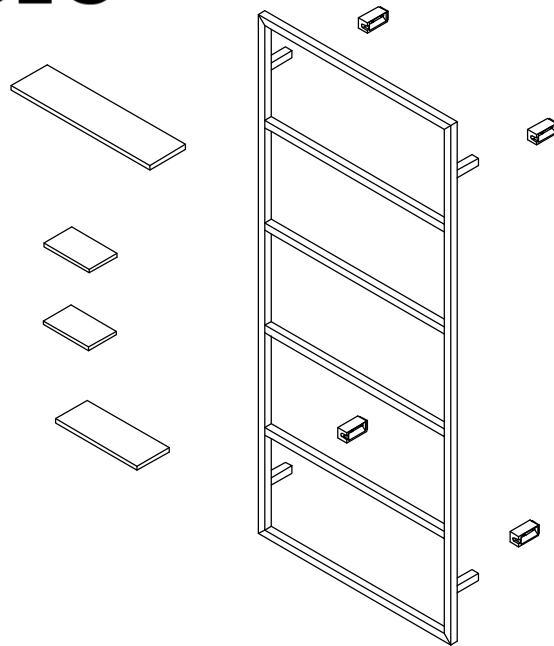

Excess liquid and excess humidity must be cleaned immediately to prevent penetration into the furniture unit.

Avoid contact with sharp items that can damage the furniture surfaces.

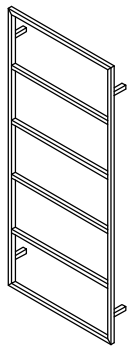

Excessive exposure to direct sunlight can cause discolouration and deterioration of the furniture finishes.

It is recommended to install the furniture in a well-ventilated area and to avoid direct exposure to sunlight.
